PURE & SIMPLE

DRYNESS OR DISCOMFORT? TACKLE IT DISCREETLY

Chances are you give your face all the attention it needs. Dry? You'll seek out a moisturiser. Breaking out? You'll reach for your blemish buster. But we bet you're not paying quite as much attention to your more intimate areas. Whether you or your partner is suffering

from vaginal dryness because of medication or the menopause, breastfeeding or a symptom of an illness, or because, let's be honest, when it comes to sex you can never have too much of a good thing. There's a doctor-approved solution. The answer's YES! And there's something for everyone...

For a fresh feeling...

YES CLEANSE Intimate Foam Wash, £7.99

Formulated with organic plant actives, this wash has been designed to complement the pH balance of the vagina, cleansing drying or odour-causing bacteria without irritation.

For menopause maladies...

YES VM Vaginal Moisturising Gel, £9.99

Oestrogen-free, long-lasting and water-based, this helps increase vaginal moisture for up to three days. It's fragrance, colour-free and pH balanced for comfort.

For a happy vagina...

YES WB Water-Based Intimate Lubricant, £9.99

This silky gel is hypoallergenic and matched to the pH of the vagina to help protect against bacterial and yeast infections. It hydrates dry tissues to enhance sexual pleasure and sensitivity.

For lavish and long-lasting lubrication...

YES OB Plant-Oil Based Lubricant, £5.99

Soothing and richly emollient, this plant-oil based formula provides longer-lasting lubrication, making it perfect for prolonged lovemaking. It's also safe to use with silicone, so you won't ruin your favourite toy.

For intimate times...

YES BUT Water-Based Anal Lubricant, £9.99

A natural water-based lubricant gel, this hydrates delicate tissue, which provides long-lasting, smooth glide. It's odourless, tasteless and non-sticky, and safe for use with latex condoms.
